Greetings,

Happy Teacher Appreciation Week to all of our teachers and staff!!

A huge shout out to each of the teachers and staff. I couldn't ask for a more dedicated faculty and staff than who we have at St. Mary's. This year has been challenging to say the least. The teachers and staff have risen to each and every challenge with grace and have put our students first.

MAP testing is going well. I am proud of the efforts of our students. We continue MAP testing next week. Please encourage your child to take their time when taking the test. Also, please make sure they have eaten breakfast and get a good night's rest.

I look forward to seeing everyone at our Fine Art Nights next week.

Have a great weekend!

Many blessings,
Mrs. Karen Jones
