Greetings!

I recently was in the MPR (Old Gym) room during lunch time. It makes me happy to see smiles and laughter while students are eating their lunches. This is an opportunity for me to have a quick and casual check in with our students from PreK-8th Grade. The Preschoolers are settling in nicely with eating in the MPR room, this is new to them this year. After some initial nervousness, they talk amongst themselves while eating their healthy lunches. I always miss the 8th Graders once they graduate, this year will be no exception. This class is composed of students with large personalities, and they all have a great sense of humor. I enjoy our conversations each time I chat with them!

We are still looking for parents/volunteers who are able to help with our lunch periods. Our lunch time is from 11:15am-12:45pm. Please email me if you are able to help. If you are able to help a day or several days with lunch duty, we would love your assistance! We appreciate your support!! Thank you to the parents and volunteers who are helping with lunch duty.

Have a great weekend!

With prayers,

Mrs. Jones
