Pontiac District #429(815-842-1500) provides transportation to eligible students to and from school. Bus routes are based on your home address. Notification will be sent in August with details about times and bus stops. It is very important to have a consistent schedule in place for your child's transportation. We do not transport students on any other bus route, unless prior arrangements have been approved. Students must take their assigned bus home from school or be a car rider that day.

PLEASE NOTE: Changes you make to your child's transportation will require at least 24 hours notice. Parents will be limited to a maximum of two different pick-up and/or drop-off locations for their child per school year. The student's transportation schedule will need to remain the same throughout the school year, unless prior approval is received from the Superintendent.
